

# MSc Environmental Sciences – Soil Biology

## September Start

FIRST YEAR		Period 1 September/October		Period 2 November/December		Period 3 January		Period 4 February		Period 5 March/April		Period 6 May/June	
		MO	AF	MO	AF	MO	AF	MO	AF	MO	AF	MO	AF
		Research Methodology in Environmental Science		Chemical Processes in Soil, Water and Atmosphere		Free choice		Free choice		The Carbon Dilemma		Academic Master Cluster (AMC)	
		Principles of Environmental Sciences		Biological Interactions in Soils						Environmental Quality and Governance			

**February Start:** In case of a big knowledge gap between your academic background and the thesis track of your choice, it may take you longer to finish. There is no preparatory course offered to fill a potential knowledge gap (light green).

FIRST YEAR		Period 4 February		Period 5 March/April		Period 6 May/June		Period 1 September/October		Period 2 November/December		Period 3 January	
		MO	AF	MO	AF	MO	AF	MO	AF	MO	AF	MO	AF
		Principles of Environmental Sciences		Soil Quality		Free choice		Academic Master Cluster (AMC)		Research Methodology in Environmental Science		Research Methods in Soil Biology	
				Nutrients in a Circular Agriculture						Environmental Quality and Governance			

SECOND YEAR	Internship Soil Biology		Thesis Soil Biology	
	MO	AF	MO	AF

This schedule is based on the study handbook. In case of any discrepancy, the study handbook is the guiding principle. AF= afternoon. MO= morning.

2024-2025 MES - Soil Biology
