## MSc Environmental Sciences – Soil Chemistry

### September Start

		Period 1 September/October	Period 2 November/December	Period 3 January	Period 4 February	Period 5 March/April	Period 6 May/June
FIRST YEAR	MO	Research Methodology in Environmental Science	Chemical Processes in Soil, Water and Atmosphere	Free choice	Applications in Soil and Water Chemistry	Soil Quality	Academic Master Cluster (AMC)
	AF	Principles of Environmental Sciences	Environmental Quality and Governance	Free choice	Free choice	Free choice	Free choice

**February Start:** In case of a big knowledge gap between your academic background and the thesis track of your choice, it may take you longer to finish. There is no preparatory course offered to fill a potential knowledge gap (light green).

		Period 4 February	Period 5 March/April	Period 6 May/June	Period 1 September/October	Period 2 November/December	Period 3 January	Period 4 February
FIRST YEAR	MO	Principles of Environmental Sciences	Soil Quality	Free choice	Academic Master Cluster (AMC)	Research Methodology in Environmental Science	Free choice	Applications in Soil and Water Chemistry
	AF	Free choice	Environmental Quality and Governance	Free choice	Free choice	Free choice	Free choice	Free choice

SECOND YEAR

Thesis Soil Chemistry

Internship Soil Chemistry

This schedule is based on the study handbook. In case of any discrepancy, the study handbook is the guiding principle. AF= afternoon. MO= morning.
