

Get yourself some tickets and some friends to explore Wageningen like you have never experienced it before! In hidden rooms and through surprising portals you will step into different worlds, where you will be juggled through emotions and amazement, festivity and wonder. Join us and enjoy the variety of performances, from magic and pirates to funky dance and singing glasses. This year, Roomservice will be a mix of dance, music, theatre, comedy, storytelling, magic and circus. Performances take place in various cosy student houses, the big church and the public library, all transformed into intimate stages. Enjoy!
